CCC LOAN INFORMATION RECORD

Purpose

The CCC Loan Information Record will be interfaced from the FSA County Office into the CRTS application. Information will then be generated and delivered to the Provider system for each receipt put under loan. The information shall be posted to the Provider's system to assist private industry in completing CCC Forms 605 and other loan-related activities. No Acknowledgement record is expected to be returned on the delivery of the CCC Loan Information Record.

The below event diagrams show actions required for Provider and CCC systems when processing the CCC Loan Information Record.
